The image shows two overlapping windows. The main window is the Solid Converter PDF application, which has a toolbar at the top with icons for crop, zoom, and other editing functions. The main content area is divided into sections: 'Solid Converter PDF' with a product image and 'Solid PDF Tools' with a list of conversion options. The 'Solid PDF Tools' section includes a table of features:

Below the tools list is a 'Selection Notes' section with a 'Restore' button and a 'Paste:' menu with options for Link, Selection, Image, and Default. A message reads: 'Here you will see the text that was selected when snapshot was captured.'

The second window is a browser window titled 'Flamory' showing search results for 'Solid Converter PDF'. The results include links to Wikipedia pages for 'Microformat', 'Graph (mathematics)', 'Under Frozen Tundra', and 'Semantic Web', along with a snippet about 'Vastness: The World Wide Web contains many billions of pages...'.
